

membership and donation form

Join us!

The YWCA is a membership based association and a registered charity. Our members form a vital link between the community, our programmes and our governance. When you donate to us you can choose to also become a member. The first \$20 of your gift goes towards membership, connecting you to:

- a strong advocacy voice for women, endorsing the work we do in the community.
- a thriving international women's organisation of 25 million committed to providing solutions to pressing social issues.

Yes, I would like to support YWCA Auckland community programmes (over 90% of our fundraising goes directly to our programmes).
